Plagiarism Awareness Assignment

1. Go to:
   http://library.acadiau.ca/tutorials/plagiarism/

   (You Quote It, You Note It! is an interactive tutorial that teaches students about plagiarism and how to avoid it. It was developed at the Vaughan Memorial Library at Acadia University in Canada)

2. Click on Next to begin the interactive tutorial

3. Answer the following questions after you complete the tutorial:

   a. What is plagiarism?

   b. What are some of the consequences for a student that is caught plagiarizing?

   c. Give an example of common knowledge.

   d. What is the difference between plagiarism and paraphrasing?

   e. Where is a good place to get additional help if you have questions about plagiarism or research in general?
